

# Title: "In Your Gentle Light"

## Verse 1

In the stillness of the night  
You whisper peace into my soul  
Every shadow fades away  
When Your presence takes its hold

## Chorus

You are holy, forever holy  
Hearts awake to sing Your name  
You are faithful, endlessly faithful  
We are carried by Your grace

## Verse 2

Like the dawn upon the earth  
Your mercy rises fresh and new  
All creation lifts its voice  
To give all glory back to You

## Chorus

You are holy, forever holy  
Hearts awake to sing Your name  
You are faithful, endlessly faithful  
We are carried by Your grace

## Bridge

Here I'll rest, in Your embrace  
Here I'll stay, beholding face to face  
Heaven's song will never cease  
Endless love, eternal peace

## Final Chorus (soft)

You are holy, forever holy  
Every breath declares Your praise  
You are faithful, always faithful  
We are held in Your embrace
